PTA – Needs Volunteers!

As the second semester of the 2006-2007 school year begins, it has come to our attention that the majority of Executive Board positions are held by 8th grade parents and we're concerned about getting these positions filled for next year. A school's PTA enhances a student's education by providing additional funds that are not given through Wake County. WMMS needs to keep our PTA strong!!! We cannot do that without the help and support of our WMMS parents. Please help where you can!!

Below is a list of positions which need to be filled for the 2007-2008 PTA. Please look over the list, check any positions that you would be interested in and send this back in with your student to the front office. Someone from the PTA will contact you. If you would like more information, please contact PTA President, Tracey Foreman at 847-1474 or TAFOREMAN457@aol.com or come to our next PTA meeting on February 13th at 7:00 pm in the Media center.
